

Many Vendors have a question about our request for Insurance.

The request is for your protection on the rare occasion of damage, theft or injury. Many vendors are covered by their “homeowners” insurance. If you do not carry insurance – your **craft application** will serve as your insurance waiver **indicating that you understand** the conditions thus stated:

**Wakarusa Maple Syrup Craft Applications State:**

The above listed vendor agrees to indemnify, defend, hold harmless, and reimburse the Wakarusa Chamber of commerce and any officer, director, agent, or employee of the Wakarusa Chamber of Commerce from and for any damages, liabilities, or fees, including without limitation attorneys’ fees, incurred by any of the above listed indemnified persons in connection with the above listed vendor’s operation of any of the above requested booths.”
